

Gauri

Great Value. Delivered.

Working with Salesforce for ESMB&GRB

WHO WE ARE

Gauri are a UK based fast-growing Salesforce Crest partner with a successful track record implementing and supporting Salesforce within ESMB and GRB clusters. We can help Salesforce AE's win more business by supporting you every step of the way with pre-sales capacity and demo assets, backed up by deep industry expertise.

Our highly competitive Quick Start packages will get your clients up and running fast, with robust technical/functional solutions that will ensure they see a rapid return from their Salesforce investment.

If you would like to learn more about how Gauri can support your sales activities, assist you in closing more deals and deliver great Salesforce solutions for your clients, please get in touch.

"Having spent 20 years working in global pharma, a project such as this would have taken at least 6 months, however Gauri helped us deliver our project in less than a month from start to finish."

Soneya Khan, CEO, QubePay

Gauri

Great Value. Delivered.

HOW WE DELIVER

Client satisfaction is at the heart of everything we do. Flexibility, choice and what's in the clients best interests, shapes every engagement.

- Low cost Quick Start or larger fixed price projects, backed up by technical delivery excellence and adherence to best practices.
- Promoting client self-sufficiency through knowledge transfer and enablement/change support.
- Flexible Managed Services that accelerate clients return on their Salesforce investment and promotes account/license growth.
- Onshore, offshore or blended delivery

Gauri understand Salesforce inside out. They're very approachable, understand customers pain points, always come with multiple solutions and add value to the business.

Ashwin Tigdoli, Product Director, RMS
